

**An important message from  
Veterans Coalition of Pennsylvania**

**During stressful times, our Veterans and their families need us more than ever. And we'll be here for you.**

**We have cancelled the monthly Stand Down in Gilbertsville, PA, scheduled for March 28, 2020.**

**We'll assess needs on a one-by-one basis, and make basic supplies available to our local Veterans and their families for pickup at selected locations.**

**Please contact us with your needs...we care about your health and well-being, now and always. Thank you for your service.**
